The Environment Agency and Forest have agreed this process for people to report Forest-branded bikes that have been dumped into London's rivers. We hope it will help solve this problem once and for all.

Always be safe in & around water. Do not put yourself at risk when carrying out your incredible volunteering efforts. Please report other problems or pollution directly to the Environment Agency - [Report water pollution in England -GOV.UK](https://www.gov.uk/report-water-pollution).
