Any **Safety** Issues you see
(e.g. weirs, deep water etc.)

Lime aim to retrieve most
vehicles within 2-72 hours.

The Environment Agency and Lime have agreed this process for people to report Lime-branded vehicle dumping into London's rivers. We hope it will help solve this problem once and for all.

Always be safe in & around water. Do not put yourself at risk when carrying out your incredible volunteering efforts. Please report other problems or pollution directly to the Environment Agency - [Report water pollution in England - GOV.UK](https://www.gov.uk/report-water-pollution-in-england).
